Teachers of music, physical education, art and the laboratory sciences, librarians, speech therapists, counselors, reading consultants, and all special education teachers shall be provided with relief and preparation time to the same extent as the other teachers.

Section 2. Emergency Closings: In the event of a student day or teacher duty day lost for any emergency, or in the event of severe inclement weather, the School Board is not required to keep school open. When the schools are closed to students due to the above condition, teachers shall not be required to report for duty. When school is started later in the day or the students are dismissed earlier, due to inclement weather or other emergency, teachers should report one-half hour before classes begin in the case of late starting and remain until the buses leave when school closes early. Dates missed because of emergency or inclement weather will be made up without additional remuneration if minimum instructional days do not equal or exceed the number of days included in the School Board approved calendar.

ARTICLE XIV TEACHER REDUCTION AND TRANSFER POLICY

Section 1. Unrequested Leave Of Absence. The board may place on unrequested leave of absence, without pay or fringe benefits, as many teachers as may be necessary because of discontinuance of position, lack of pupils, financial limitations, or merger of classes caused by consolidation of districts. The unrequested leave is effective at the close of the school year. In placing teachers on unrequested leave, the board is governed by the following provisions:

Subd. 1. Continuing Contract Teachers: A teacher who has acquired continuing contract rights must not be placed on unrequested leave of absence (ULA) while Tier 1-licensed, Tier 2- licensed, or probationary teachers are retained in positions for which the teacher who has acquired continuing contract rights is licensed. Tier 3 and 4 continuing contract teachers shall be placed on unrequested leave of absence in inverse order of seniority, as calculated by initial date of hire as a licensed teacher.

Subd. 2. Exceptions for Licensure: Notwithstanding the provisions above, a teacher is not entitled to exercise any seniority when that exercise results in that teacher being retained by the district in a field for which the teacher holds only a provisional license, as defined by the board of teaching, unless that exercise of seniority results in the placement on unrequested leave of absence of another teacher who also holds a provisional license in the same field.

Section 2. Notice to Teachers. Following school board action on discontinued positions and school board action proposing placement of teachers on unrequested leave of absence, each individual teacher proposed for placement on unrequested leave of absence shall receive notice of the proposed placement that:

- a) states the applicable grounds for the proposed placement;
- b) provides notice to the teacher of their right to request a hearing on the proposed placement within 14 days from the receipt of the notice; and
- c) provides notice to the teacher that failure to request a hearing will be deemed acquiescence to the school board's proposed placement action.

Section 3. Right to a Hearing and Decision: If the teacher requests a hearing, teachers proposed for placement on unrequested leave of absence pursuant to school board action shall be entitled to a hearing and challenge the proposed placement pursuant to the grievance procedure as provided in this agreement commencing at the arbitration level.

Section 4. Final Board Action. Final school board action to place a teacher on unrequested leave of absence must take place prior to July 1. Final school board action must not occur before notice to the teacher as required above and acquiescence, or notice to the teacher as required above and the arbitrator decision.

Section 5. Reinstatement: A teacher placed on unrequested leave of absence shall have rights to reinstatement for a period of five years or until the teacher is fully reinstated, after which the right to reinstatement shall terminate. Teachers placed on unrequested leave of absence must be reinstated to the positions from which they have been given leaves of absence or, if not available, to other available positions in the school district in fields in which they are licensed. Reinstatement must be in the inverse order of placement on leave of absence. A teacher must not be reinstated to a position in a field in which the teacher holds only a provisional license, other than a vocational education license, while another teacher who holds a nonprovisional license in the same field remains on unrequested leave. A teacher on unrequested leave does not forfeit right to reinstatement when accepting a position for less than the full position they were placed on leave from, or when they refuse an offered position.

Section 6. Vacancies and Notification: No teacher shall be hired by the School District while any qualified teacher is on unrequested leave of absence in that field of licensure unless the teacher fails to advise the school board of their desire to accept the position within 30 days of the date of notification that a position is available to that teacher on unrequested leave. The district will not apply for a tier 1 or tier 2 teaching license for any individual while a teacher who has acquired continuing contract rights is on unrequested leave of absence unless the position has been offered to and rejected by the teacher on ULA.

Section 7. Seniority: Seniority for purposes of ULA means initial date of service with the school district in a position requiring a license.

Section 8. Seniority Tiebreakers: In the case of equal seniority, the following steps will be followed in order until the tie is broken.

- Step A. Years of service in teaching (Note: this could be specific to the district or individual)
- Step B. Total credits beyond a bachelor's degree
- Step C. Total graduate level credits beyond a bachelor's degree
- Step D. Most recent summative evaluation outcome

Section 9. Benefits While On Leave. Teachers placed on unrequested leave of absence shall remain eligible for participation in the school district's group insurance programs at their own expense for the duration of their reinstatement period.

Section 10. Employment Rights during Leave: A teacher placed on unrequested leave of absence may engage in teaching or any other occupation during the period of this leave. Optional: Teachers enrolled in a Grow Your Own Program Beginning with the 2017 school year, employees working in other School District employment groups who secure a teaching contract within this bargaining unit will have their seniority date back-dated to their original hire date in the bargaining unit plus a maximum of two years in a previous bargaining unit upon completion of probation provided there has been no separation of employment between the prior position and the teaching assignment.

Section 11. Continuing Contract Rights and Service Credits: The unrequested leave of absence must not impair the continuing contract rights of a teacher or result in a loss of credit for previous years of service. A teacher's continuing contract must remain in full force and effect, except as modified by mutual consent of the board and the teacher. Any agreement to mutually modify continuing contract rights must be in writing and can only occur after the teacher is provided with an explanation of their rights under the continuing contract statute and an opportunity to consult with the exclusive representative. The School District agrees to provide notice to the exclusive representative of all mutual modifications of continuing contracts prior to the modifications being finalized.

Section 12. Unemployment Benefits while on ULA: Nothing in this subdivision shall be construed to impair the rights of teachers placed on unrequested leave of absence to receive unemployment benefits if otherwise eligible.

Section 13. Terminations: The same provisions applicable to terminations of probationary or continuing contracts in Minnesota Statutes 122A.40 subdivisions 5 and 7 must apply to placement on unrequested leave of absence.

Section 14. Filing Licenses and Preparation of Seniority Lists

Subd. 1. Filing of licenses: In any year in which the School District is placing teachers on unrequested leave of absence, only those teaching licenses actually received by the Superintendent's office as of January 1 of that year are considered for purposes of determining layoff within areas of licensure. A licensed filed after January 1 will be considered for purposes of recall, but not for layoff.

Subd. 2. Preparation and posting of seniority and licensure lists: By January 15 of each school year, the School District shall create and post a seniority and licensure list. The list will include the name of every teacher, their seniority date, continuing contract or probationary status, and licensure area by tier. The list will be posted at all school buildings in the district and email notification will be provided to teachers when the list is initially posted.

Subd. 3. Request for change: Any teacher with a correction or omission with the seniority and licensure list shall have twenty business days from the date of posting to provide a written request for a change to the seniority and licensure list.

Subd. 4. Final list: Within ten business days after the request for change period has ended, the School District will prepare and post a final seniority and licensure list. The list will be posted at all school buildings in the district and email notification will be provided to teachers. The final seniority and licensure list shall be binding on the School District and any teacher, subject to the grievance procedure.

Section 15. Vacancies and Posting Process: Whenever a teaching or extra-curricular position becomes available for assignment, the District shall post, for a minimum of two weeks, notice of that available position. All postings shall be made to the District website and sent via e-mail to all licensed staff's district e-mail on the day the position is posted. The District shall also post the position to at least one statewide online teacher job posting site. The available position shall not be filled during that time, except in the case of an emergency or immediate need. In such cases, no opening that must be filled immediately shall be filled until it has been posted for at least three (3) weekdays.

Subd. 1. Posting: The posting shall be made in each building, with a copy to the Union.

Subd. 2. Dates: Each posting shall indicate the date such notice is posted and the date the posting expires.

Subd. 3: Summer posting rules: During the summer, the District shall send a copy of the posting to the Union and email the posting to all licensed staff. No vacancies shall be filled during the summer until July 15 for at least five (5) days after the posting has been made. After July 15, vacancies must be posted for at least three (3) days before being filled.

Subd. 4: Exceptions: Posting requirements shall not apply in cases where teachers on unrequested leave of absence have a right to positions that become vacant.

Section 16. Transfer Policy: Whenever a teaching or extra-curricular position becomes available for assignment, the District shall post, for a minimum of two weeks, notice of that available position. All postings shall be made to the District website and sent via e-mail to all licensed staff's district e-mail on the day the position is posted. The District shall also post the position to at least one statewide online teacher job posting site. The available position shall not be filled during that time, except in the case of an emergency or immediate need. In such cases, no opening that must be filled immediately shall be filled until it has been posted for at least three (3) weekdays.

Subd. 1. Voluntary Transfer: All applications for voluntary reassignment and/or transfer will be filled on the basis of licensure and qualifications.

Subd. 2. Voluntary Classroom Changes/Reassignments/Transfers: Any teacher new to the School District or any teacher who changes classrooms shall be given two paid days to organize his/her new classroom. Classroom changes shall be pre-approved by the administration.

The supervisor of the open position shall have the right to deny such a transfer provided that the supervisor explains the reasons directly to the applicant, in writing, within five business days. No request shall be denied arbitrarily, capriciously, or without basis in fact.

Subd. 3. Involuntary Transfer: When involuntary transfer or reassignments are necessary, qualified volunteers, if any, will be transferred or reassigned first. If no volunteer is available, the individual selected for transfer will not be selected arbitrarily, capriciously, or without basis in fact provided in writing.

Subd. 4. Involuntary Classroom Changes/Reassignments/Transfers: Any teacher who changes classrooms/teaching assignments shall be given two paid days to organize his/her new classroom and two paid days for curriculum work.

Subd. 2. Severity: The School District reserves the right to move directly to a higher level of discipline based on the seriousness of the offense.

Subd. 3. Reprimand: If an administrator has reason to reprimand an employee, it shall be done in such a manner that will not embarrass the employee before other employees, students, or the public.

Subd. 4. Identifying Reprimands: Oral reprimands shall be clearly identified as such at the time disciplinary action is administered. When an oral reprimand is given, the supervisor will document the fact that an oral reprimand was given to the employee specifying the date, time, nature of the oral reprimand, and expiration date of oral reprimand. (See Addendum Form A)

Section 3. Procedure for Suspension of Continuing Contract Teachers and Non-Continuing Contract Teachers: The School District shall not propose suspension of any teacher without just cause. If the School District believes that there is just cause for suspension, the employee and the Exclusive Representative shall be notified, in writing, that the employee has been proposed for suspension.

The teacher shall have the right to invoke the grievance procedure set forth in the Master Agreement for any and all discipline. Suspensions with or without pay shall take effect only after written notification from the

Superintendent or his/her designee to the teacher stating the grounds for the suspension, and only after the full grievance procedure is complete and any grievance over discipline settled.

Section 4. Personnel File:

Subd. 1. Accordance with Statute: All files will be kept in accordance with all applicable state statutes and School District policies.

Failure to file any grievance within such period shall be deemed a waiver of that grievance. Failure to appeal a grievance from one level to another within the time periods provided below shall constitute a waiver of the grievance.

Section 5. Adjustment of Grievance: The School District and the teacher shall attempt to adjust all grievances which may arise during the course of employment of any teacher within the School District in the following manner.

In the event the School Board reviews a grievance under this section, the School Board reserves the right to reverse or modify such a decision.

Section 7. Denial of Grievance: Failure by the School Board or its representative to issue a decision within the time periods provided in this article shall constitute a denial of the grievance, and the teacher may appeal it to the next level.

In considering any issue in dispute, in his/her order, the arbitrator shall give due consideration to the statutory rights and obligations of the School Board to efficiently manage and conduct its operation within the legal limitations surrounding the financing of such operations. All matters of grievance will be dealt with as quickly and fairly as possible.

ARTICLE XVII DURATION

Section 1. Term and Reopening Negotiations: This Master Agreement will be effective as of July 1, 2023 through June 30, 2025. If a new and substitute Master Agreement has not been duly entered into prior to June 30, 2025, the terms of this Master Agreement shall continue in full force and effect.

Section 2. Effect: This Master Agreement constitutes the full and complete agreement between the School Board and the Exclusive Representative. Further, the School Board shall furnish ten copies of the Master Agreement to the Exclusive Representative for its use.

**ARTICLE XIX

The School District further agrees that there shall be no difference in the privileges of employment accorded a teacher participating in this strike than there would have been if the teacher had not participated.

ARTICLE XXI E-LEARNING

The total number of e-learning days available will not exceed the number determined by state statute (5 days); any days beyond those in statute will be made up as determined by the school board. In the event of a multiple day storm, the district will not use more than two e-learning days in a row, and any days beyond two will be made up as determined by the school board. Teachers will not be required to report to the school building on E-Learning days.

At the beginning of each year, and prior to the use of any e-learning days, teachers will share contact and other pertinent e-learning information with the parents/guardians/students. Teachers will use communication and learning platforms as determined at the district or building level. LETTER OF AGREEMENT "A"

Tax Deferral of Severance Pay

Whereas, the 2002 Legislature has adopted a revision to Minnesota Statutes that allows for the tax deferral of severance pay; and

Whereas, the Exclusive Representative and the School District recognize the tax advantages of this new option for both the School District and the employees.

Be it therefore resolved that the parties agree to the following:

1. Subject to the limitations listed below, the School District will contribute an amount equal to the value of the employee's severance pay directly into the retiree's 403 (b) account. The retiree will not receive any direct payment from the School District for severance pay.
2. The School District's annual contribution into the retiree's 403(b) account must not exceed the IRS contribution limit. If the retiree has any severance remaining after the limit is reached in the year of separation, the School District will make a contribution up to the IRS maximum into the retiree's 403(b) account in the following year(s).
3. The School District contributions(s) (into the retiree's 403(b) account) will be made according to the same timeline as was provided for the direct payment of severance pay.
4. The School District will only make contributions to investment vendors that have hold harmless agreements on file with them. For purposes of calculating the maximum deferral limit, the School District will provide the retiree with contribution information for the previous 12 months. The employee will then submit the calculation of maximum deferral from the vendor.
5. This is the full and complete agreement of the parties on this issue. No other oral or implied agreements exist.
6. This agreement does not set any precedent for any future issue.

In the event that a coach or advisor is found to have violated policies, procedures or rules established by the district, disciplinary actions may be taken. Where possible, disciplinary action shall be corrective in nature and not punitive. Disciplinary action should be administered progressively in the following order:
